**PRESS RELEASE**  
**August 23, 2011**  
**BANK ROBBERY**

On Monday, August 22, 2011, at 1359 hrs, the Lake County Sheriff's responded to a bank robbery located at the Huntington Bank located at 7529 Crile Rd, Concord Twp. Ohio.

Sgt. Anthony Iliano reported that a bank alarm was received and confirmation was made that a robbery had just occurred. It was reported that a male suspect was fleeing the bank at the time of the alarm. The suspect was described as being a white male in his mid- 20's. He had short brown hair and stood between 5'8" and 6' feet tall. He was of slender build and estimated to be 130 lbs. Witnesses indicated the male had pale to pasty skin with bags under his eyes and a "*spaced out*" look. This male entered the back and wrote out his demand note while standing at the transaction table.

The note, which was written on a savings withdrawal slip, demanded money. The note was passed to a teller who provided the male with money. No weapons were shown, viewed or claimed. After obtaining the money, the suspect exited the front door.

The suspect may have entered a red Pontiac Sunfire that was parked near to the front of the bank. There is no further information on this vehicle, and it has not been confirmed that this is the vehicle used by the suspect. Once out of the bank, the suspect departed in an unknown direction. The area was extensively

searched with no success. The Lake County Crime Lab assisted in the processing of the scene for evidence. The FBI was notified of the incident, but did not respond to the scene.
